FOR IMMEDIATE RELEASE

2/12/2012

On January 25, 2012, a residential burglary occurred at a home in the Grand Prairie area. One of the items taken was a St. Landry Lumber Gift Card. On February 2, 2012, a black male and female entered St Landry Lumber in Opelousas and redeemed this gift card, which was for fifty dollars. The subjects used the gift card to purchase goods at the store. The male subject was wearing a blue Crown Royal Jacket as seen in the store video surveillance cameras. The female subject appears to have red or blonde shoulder length hair. Both subjects appear to be in their late forties or earlier fifties. The subjects were seen leaving in a four-door SUV type vehicle, which is believed to be a Suzuki XL7, with a tire mounted on the rear of the vehicle. The color of the vehicle is possibly silver or gray vehicle. The jacket worn by the male subject is distinctive and not many are seen much in this area. These subjects are people of interest who may have information, which could help in solving a number of residential burglaries in the Grand Prairie area. Any help from the public in identifying the subjects would be greatly appreciated. This is a vehicle similar to the one they were seen leaving the place of business.

Call St. Landry Crime Stoppers at 337-948-8477 if you can identify these persons of interest.
