Press Release

*** **

Pictured above is Sheriff Bobby J. Guidroz with the latest group of young girls that attended the Kops & Kids Campout January 28-29, 2012. They were taken on an afternoon wagon ride in the woods, shot bb guns at targets, learned about gun safety, gathered around a camp fire, played checkers against the sheriff and each other.

Sheriff Guidroz wants to remind parents or guardians that are interested in signing up a youngster for a weekend of camping with deputies to pick up an application at the Sheriffs' Department on Market Street, at the Department Fleet Garage on West Landry Street in Opelousas, or go online to www.slpsheriff.com and follow the link to the Kops & Kids.

Sheriff Guidroz stated if any parent or guardian would like to visit the Kops & Kids facility near Washington, Louisiana, to please contact him by calling (337) 948-6516 or email him at bguidroz@slpsheriff.com
